*Come join your us on Zoom!*

During this meeting, we will be working on policies needed for STAR 2. If you have a current family handbook or policy book you are welcome to have it nearby during the meeting. If you do not, this is no problem since we will be working on creating the policies together. Since this will be an active workgroup, please come ready to discuss and work on the policies as a team. At the end of the meeting, you will be done with a few policies and they will be approved for your movement.
