LIVE VIRTUAL WORKSHOP via Zoom

9:30 am-1:00pm

Bring Your Coffee for Sign in and Chat: 9-9:30am

As a result of this workshop the participants will be able to:

1. Use an easy one-page assessment and plan to improve their goals and intervention across disciplines.
2. Explain why they should spend most of their time and focus on preventing problem behaviors rather than reacting to them.
3. Discuss the importance of collaborating with parents and other professionals so that each child can reach their fullest potential now and in the future.
