Director's Network - March meeting

Come join us on March 14th as DHS Certification supervisor, Chris Farrell, will be available to answer your questions. This meeting will be held virtually and you can submit questions in advance to your Quality Coach.

Click [here](#) to register for the meeting. We look forward to seeing you!

American Rescue Plan Act

The Early Learning Resource Center has been able to award over \$18.6 million in ARPA funding to eligible providers. Payments will continue until all programs have received their six-monthly installments. ARPA payments are taxable income so we recommend programs work with their tax advisor for any questions.

In addition, all providers should have received their IRS form 1099 from Community Services for Children. Amounts WILL include ARPA payments received in 2021 so your amounts will look higher than typical. If you have not received your 1099, please reach out to your Provider Specialist.

Region 11 Provider Supports

The Successful Strategies Series is a monthly networking opportunity for teachers to share strategies that help support social emotional learning, guide behavior, build relationships and decrease stress. Join this webinar the 3rd Wednesday of the month.

ELRC Updates

Is Your Email Address Up to Date in PSS?

OCDEL uses email to communicate with child care locations about important announcements including additional grant and award opportunities in the coming months. Providers should visit PSS and confirm that their contact information is up to date as soon as possible.

Log into Provider Self Service

- Click on Location Profile.
- Review all location information including the email address.
- Contact the help desk with any issues at 877-491-3818 and select option #2 twice.

CCW Reminders

Correctly completing your attendance is essential to receiving an accurate Child Care Works payment.

- Paper Attendance - Mark "CA" for COVID Absence for each child out for COVID related absence
- Online Attendance - Mark the child absent for every scheduled day that they do not attend. Click on the blue hyperlink to access the comment box. Place a comment for the COVID absences

(ex: COVID absence: 2/11-2/15)

Examples of COVID Absences:

- Child must quarantine
- Child or family member is positive for COVID
- Facility needs to close due to positive cases
- Child or family member is waiting for COVID test results

Family Child Care Environmental Rating Scale PD

The FCCERS tool assists family providers in assessing program quality. This tool can be used to meet the STARS quality indicator EC2.1. Two live sessions will be offered by the assessor team for \$7 a session and the FCCERS tool is included in the cost of registration.

- Foundations of FCCERS - 3/23 @ 6:00 pm - This session will give you an overview of the scale and will help you to learn how to use the 7 point scoring system.

Event ID: 335260

- FCCERS-R - 4/20 @ 6:00 pm - This session goes into detail about specific items and indicators in the FCCERS-R.

Event ID: 335264

Family Child Care providers should reach out to their Quality Coach for support in registering for these events.

Certification News

[Announcement C-22-02](#) includes information related to pre-service training for all child care staff. In summary of this announcement:

- All child care staff must complete 12 hours of annual training

As of 4/29/22:

- All staff must complete the required CCDBG health and safety training which is found on the Better Kid Care website, before caring for children unsupervised. Click [here](#) to access this page
- Shaken Baby Syndrome, Abusive Head Trauma and Child Maltreatment is also a required training. This training **IS** embedded as part of the CCDBG training listed above.
 - If you took this training after 9/2016, you are in compliance
 - If you had taken CCDBG prior to 9/2016, it is recommended that you take the updated 10-hour module
- Certification requires all staff to take 12 hours of ongoing professional development. Health & Safety topics should be prioritized but other topics may be included in those 12 hours.

Updated Policies

Child care providers must have a policy and procedure to help staff identify shaken baby syndrome, abusive head trauma and child maltreatment. The policy must include, but is not limited to:

- Recognition of potential signs and symptoms of shaken baby syndrome and abusive head trauma
- Strategies for coping with a crying, fussing, or distraught child
- Address the prevention and identification of child maltreatment

Week of the Young Child

The Week of the Young Child is a fun-filled week celebrating early learning, young children, their teachers, families and communities. This year's WOYC is April 2-8.

NAEYC has developed resources and ideas so your program can celebrate and raise awareness on the needs of young children and their families. Visit [NAEYC](#) for daily activity idea.

Keystone STARS Updates

Providers with STAR expirations through September 30, 2022 may accept the one-year extension offered by OCDEL. Providers are using this time to work with their Quality Coach to prepare for an evidence review next year and many are working on moving to the next STAR level!

Quality Coaches provide supports including individual meetings, Movement Cohorts, Learning Communities, Director Networks and other assistance to walk you through every step of the designation process. Check out all the Regional Groups above and join in!

Tax Assistance

The **Volunteer Income Tax Assistance (VITA)** program offers free tax help to people who make \$57,000 or less, persons with disabilities, and limited English-speaking taxpayers who need assistance in preparing their tax returns. Families can usually find VITA sites in community and

neighborhood centers, libraries, schools, shopping malls, and other convenient locations. To locate an open site near you, use the [VITA Locator Tool](#) or call (toll-free) 888-227-7669.

Health & Safety

Face Coverings in Child Care

As of 12/10/21, masks were no longer required to be worn by children or staff in a child care setting. However, CDC continues to recommend masking as a critical public health tool for preventing the spread of COVID-19.

- Masks are effective at reducing transmission of the Coronavirus when worn consistently and correctly.
- Choose a well-fitting and comfortable mask that your child can wear properly. A poorly fitting or uncomfortable mask might be worn incorrectly or removed often, and that would reduce its intended benefits.
- Choose a size that fits over the child's nose and under the chin but does not impair vision.
- Clear masks or cloth masks with a clear plastic panel are an alternative type of mask that may be helpful when interacting with certain groups of people.

Visit [PA Key](#) for up-to-date guidance.

Reporting COVID cases

The Pennsylvania Department of Health (DOH) has provided two options for Department of Human Services (DHS) certified child care facilities to report positive COVID-19 cases, either by email or phone. This resource has updated counties and provides an [outline of the process](#) that should be followed when reporting cases to DOH. Click [here](#) for more information.

PQAS First Aid Instructors

Instructors delivering First Aid/CPR modules must be PQAS approved and use an OCDEL approved Pediatric curriculum. The approved curriculum list can be found on the [PA Key website](#).

Any questions regarding PQAS status of trainers can be directed to Amanda Janesheski amajan@pakeys.org.
