

You're Invited to Join The Carbon County Children's Team

The Carbon County Children's Team consists of parents of children receiving Early Intervention services, as well as representatives from community organizations that provide support and resources to families with young children. Our goal is to coordinate services among agencies, support parents and families and their needs, and to discover new ways to improve and coordinate Early Intervention services within our community.

We invite and encourage you to join us at the Carbon County Children's Team final meeting. Your involvement will not only give you a voice in defining concerns and problems, but will give you the opportunity to become part of the solutions that benefit all children with special needs and their families.

Please join us on:

Monday, May 16, 2022 @ 9:30 via Zoom
