

Does your staff need help creating and updating their PD plans and self-assessments?

Do you need guidance on navigating the management features of your organizational profile in the registry, such as inviting & managing staff, and pulling reports?

I will be able to share my screen and walk you and your staff through any tech issues or questions.

Registration is needed for each Tuesday you want to join.

EVERY TUESDAY IN MAY & JUNE

Via Zoom from 1:00-2:00
