

Creating a Meaningful CQI Goal

During the training, child care directors/administration staff will learn how to create meaningful continuous quality improvement plans. Participants will be able to identify what tools can be used to drive a CQI. Then participants will put their goal to use by completing their own CQI plan.

Date of Event: 9/23/22

Time of Event: 1:00–3:00pm

Register on the PD Registry using the below link!
