

Still have grant money to spend? Why not prepay for CPR/First Aid now and not worry about paying for it later.

Hi,

My name is Kevin Hendrick. I am a PQAS approved American Heart Association Heartsaver Pediatric CPR/AED Instructor, Training Center Faculty and Administrator with over 15 years of experience. I am a local paramedic and have been providing Pediatric First Aid and CPR training to local childcare centers for over 10 years. I provide training at your site or mine. The current cost of training is \$70.00 per student. Centers have been approved to use grant funds to purchase vouchers for future cpr/ first aid classes. We are giving a special rate for this at \$60.00 per voucher (per student). This voucher never expires, and no additional cost will arise when you go to use it. Voucher can only be used through Kevin Hendrick. Should you have any questions please contact Kevin at the information below. This will be available until you can no longer use your grant funds.

Invoices will be provided for all purchase and 1099 form when requested.

All Classes are taught through Jeannette EMS Inc. American Heart Association Training Center

Purchase CPR Vouchers with Grant money to use in the Future

How it works:

Decide how many Vouchers you want to purchase (1 voucher per student)

Email or Text: Kevin Hendrick – 7247576823, kmhendrick@gmail.com

Pay by Check, money order or paypal

Receive vouchers in email. Vouchers will be coded and can only be used once.
