## Monthly Focus:

### Infant Early Childhood Mental Health Consultation Program

During this meeting, we will be taking a deeper dive into the FREE IECMH program and what their supports can do for you.

If you are not familiar with the program, it addresses supporting social-emotional development in young children.

We will be discussing the process of getting started with a request and what the next steps may look like. We will also be discussing some tips for talking to parents about the program.

Please come to the meeting with any questions you have for the IECMH team.
