How can we help you?

What are Quality Coach Office Hours?

This is an opportunity for you to receive individualized support for non-emergent questions/issues/tasks. You can schedule an appointment directly with your coach.

Why?

You want to review something with your coach, and it is easier to focus outside of your physical site. Sometimes you just need to get out of your program for a short time.

COME MEET WITH US!

01

Grant Paperwork Assistance

Do you need help navigating the grant process? Are you struggling to fill out grant paperwork.

02

Keystone STARS Indicators

Are you working on a move-up, full designation, or renewal and in need of support surrounding a particular indicator?

03

General Coaching

Do you want to discuss the benefits of moving up? Are you interested in increasing quality?
