

STAR 2 Cohort Introduction

Come join us on Zoom!

This will be a series of meetings to support anyone interested in moving to STAR 2 or learning more about the requirements. As a group, we will work together to leave every meeting with a standard met. If you are someone who has wanted to move up STAR levels, but it has been a challenge, this is a great opportunity for you. In the past, people have really enjoyed working together to meet the standards. At the end of the series, you should be ready to move up to a STAR 2!

Meeting Topic:

- ◇ Understanding the Keystone STARS Standards
- ◇ Getting to know the PD Registry

Zoom:

January 25, 2023 from 1:00-3:00pm
