Monthly Focus:

Staff Meetings

During this meeting, we will be discussing ways to ensure our staff meetings are meaningful. Staff meetings are typically set to discuss changes and may be more focused on challenges in our programs. Although these are all important, we will be discussing ways to get your staff meetings to be more engaging and celebrate the successes in your program. If you have any staff meeting strategies, that are going well, please come willing to share. We look forward to meeting with you!
