Region 12 Updates

The ELRC is celebrating it's 5th anniversary!

We thank you for your partnership, collaboration and work with the families and children in your care. We are looking forward to continuing to serve you and the community as we move into the 2023-2024 fiscal year.

Kick Off Meetings - Save the Date

The ELRC will be hosting Kick Off Meetings in September. We encourage all providers to attend to hear updates about Child Care Works, Keystone STARS, local collaborations and provider supports. Content will be the same at each meeting so choose the session that works best for you!

Please save the following dates and times and keep an eye out for registration information to be released soon!

Art Work Displays

Child Care providers are invited to partner with the ELRC to showcase children's artwork in our ELRC offices. Two providers per quarter will be featured and the art will be displayed with provider information.

Please note the following guidelines:

- Art should be limited to 20 pieces per provider.
- Hanging art should not exceed 11x17. Small sculpture pieces or 3D art to hang from the ceiling may also be included.
- Art can be seasonal (beach art, fall leaves, etc) but not holiday related (no Santa, jack-o-lanterns, etc).
- Art must be dropped off to the ELRC office by the first of the month. Pieces will not be returned to the provider unless prior arrangements are made with your Quality Coach.

Welcome New Providers

The Early Learning Resource Center would like to welcome the following new programs to our region! We look forward to working with you. ELRC staff are here to assist with your participation in Child Care Works, Keystone STARS, and to provide you with local resources and referrals.

- **Ages & Stages Child Care Center LLC - Fleetville**
- **Pocono Family YMCA at East Stroudsburg South**

Directors Network

Thank you to all who attended our Director's Network on Wednesday 7/14/2023. During this meeting we learned about the valuable resources, tools, and cost savings opportunities available to child care providers through www.sharedsourcepa.org. We would like to thank Rose Snyder of PennAEYC, and Cellissa Hoyt and Andrea Bimonte of ECE Shared Resources for their time and informative presentation. Click [here](#) to learn more about the resources available. Free registration for this website is available to all Pennsylvania child care providers courtesy of PennAEYC.

Our next Director's Network will be held on Friday 7/21/23 at 1:00 pm. This month we will be having a collaborative conversation about challenging behaviors. Let's discuss your current challenges and troubleshoot together! We will explore what resources directors are using to support classroom management and utilize our community of providers to brainstorm ideas. Click [here](#) for the Director's Network July flyer.

Region 12 Provider Supports

FREE Professional Development Opportunity: Positive Discipline

On July 13th at 10:00 am, Quality Coach Lynda Castro will be exploring the five criteria of positive discipline.

Participants will learn how to set up effective environments for classroom management and how to make modifications to meet children's individual needs. Click [here](#) for more information and to register now!

Two hours of PQAS credit will be given for your participation in this event.

Technology Tuesday

Our next Technology Tuesday will be held on 7/11/23 at 1:00 pm. This month we will be sharing information about PBS Learning Media. This **free** resource has a variety of engaging learning tools and professional

development opportunities available for preschool staff. Should you have any questions about this event or would like to schedule technology assistance with a specific topic, please contact Lynda Castro at lycastro@cscinc.org.

QC Office Hours

Quality Coaches are hosting community days in July and looking forward to meeting with you! Should you need assistance with grants, technology, or one on one support to achieve your Keystone STARS goals, please call or email your coach to schedule an appointment for an upcoming community day. This month our coaches will be visiting Lackawanna and Monroe counties! Click [here](#) to see our schedule for July.

ELRC Updates

CCW Reminders

- Click [here](#) for the updated CCW payment schedule for 2023-2024. Please note the attendance due date to receive timely payment and submit to the ELRC.
- The School Age Flip occurred on June 14. As a reminder, providers who have accepted the blended rate have been paid a higher part-time rate which includes 25 full-time days throughout the school year. This accounts for any gaps that may have occurred between your local school district end date and school age flip date.
- As always, review your invoices carefully to ensure the schedules are correct.
- Child Care Works will pay for 40 absences per child for the year. These absences reset back to zero on 7/1/23.

Work Force Support 2.0 -

Reporting Forms Past Due!

Work Force Support Grant 2.0 must have been spent and reporting form returned by 6/30/23! If you have not done so already, send completed forms to elrc-ksgrants@cscinc.org. Please reach out to your Quality Coach with any questions.

Staff retention awards should have been paid out, through payroll, within 45 days of receipt of the grant. Staff recruitment funds were to be used on expenses between 7/1/22-6/30/23.

If you discover that you have unspent funds, please return your reporting form with the payment to:

Virtual Child Assessment Tool Fair

ELRC Region 11 will be hosting a virtual, child assessment tool fair. Six assessment tool vendors will join the meeting to review their tool format, implementation, pricing and ordering information. This meeting will be a wonderful opportunity for providers who are beginning the process of selecting child assessment AND for providers looking for tips in using already purchased assessment tools.

Transition Packets

STAR indicator FC2.2, requires providers to have a policy to demonstrate how children are helped to transition between developmental stages.

Transition information should be provided to parents at least a week in advance. Information can include a letter outlining how the child will gradually transition into the new classroom, what to expect on the first day and staff schedules and contact phone numbers. Packets can also include copies of daily schedules, teacher welcome letters and samples of lesson plans. Make sure parents are aware of any classroom expectations like potty training, daily communication methods and where the child's personal belongings can be stored, like in a cubby. Providing clear communication will allow parents and children to feel confident about this exciting next step!

Summer Professional Development Series

School-age child care staff can take a FREE professional development series this summer, sponsored by PennAEYC. All workshops are held virtually from 6:30-8:30 pm. Registration is required. See the flyer linked below for more information.

Sessions are still available 7/20 & 8/17.

Health & Safety

Tick Safety

What should child care providers do when they find a tick on a child?

OCDEL Certification recommends that if a childcare provider finds an embedded tick, they should immediately contact the child's

parent or guardian so that next steps can be determined quickly. This is consistent with regulation 132(a). It is advised that a provider does not remove a tick unless there is written authorization by the parent and the provider has received the appropriate health and safety training to do so. Following proper technique for tick removal can be challenging; even with proper technique, heads can stay attached and need to be dug out, which can be difficult.

Air Quality Alerts

The recent air quality alerts due to the wildfires in Canada prompted programs to re-examine their outdoor policies and communication of those policies to families. Take a look at your parent handbook and check to see if there is guidance regarding daily outdoor play, weather permitting.

When weather poses a significant risk, children should remain indoors. The PA Position Statement defines weather permitting as:

- Temperature/wind chill is above 25 degrees
- Heat index is less than 90 degrees
- No precipitation falling
- No current air quality alert

Read more of the PA Position Statement [here](#).

Setting Oral Health Goals

Goal setting can help you create new behaviors and it can also allow you to measure your progress. Goals also give you the motivation to maintain healthy oral health habits.

Healthy oral health habits include:

- Regular dental visits and treatment
- Healthy snacks
- Brush with fluoride toothpaste at least twice a day
- No sugary beverages

- No bottle for bed
- Water or milk only in sippy cups
- Drink tap water
- Avoid or limit junk food and candy
- Limit sugar and consider sugar substitutes
- Last thing to touch teeth before bed is toothbrush with fluorinated toothpaste

Click [here](#) for an infographic that you can share with families to help them set and meet oral health goals.
