Region 13 Updates

The ELRC is celebrating it's 5th anniversary!

We thank you for your partnership, collaboration and work with the families and children in your care. We are looking forward to continuing to serve you and the community as we move into the 2023-2024 fiscal year.

Kick Off Meetings - Save the Date

The ELRC will be hosting Kick Off Meetings in October. We encourage all providers to attend to hear updates about Child Care Works, Keystone STARS, local collaborations and provider supports. Content will be the same at each meeting so choose the session that works best for you!

Please save the following dates and times and keep an eye out for registration information to be released soon!

Wednesday, October 11

1:00-3:00

6:00-8:00

Art Work Displays

Child Care providers are invited to partner with the ELRC to showcase children's artwork in our ELRC offices. Two providers per quarter will be featured and the art will be displayed with provider information.

Please note the following guidelines:

- Art should be limited to 20 pieces per provider.
- Hanging art should not exceed 11x17. Small sculpture pieces or 3D art to hang from the ceiling may also be included.
- Art can be seasonal (beach art, fall leaves, etc) but not holiday related (no Santa, jack-o-lanterns, etc).
- Art must be dropped off to the ELRC office by the first of the month. Pieces will not be returned to the provider unless prior arrangements are made with your Quality Coach.

Welcome New Providers

- The Early Learning Resource Center like to welcome new programs to our region! This quarter we welcome, **KCE Champions LLC at McAdoo Kelayres Elementary**. We look forward to working with you!
-

Schuylkill County Back-to-School Fair

The Schuylkill County Local Interagency Coordinating Council is hosting a Back-to-School Fair on Monday, August 7th from 10:00 am to 4:00 pm. The

event will be held at the Schuylkill Intermediate Unit, Maple Avenue Campus.

If you are located in Schuylkill County, please post this [flyer](#) and see the [registration packet](#) if you are interested in participating.

Region 13 Provider Supports

Director's Network

Don't miss July's Director Network Meeting on the 12th at 1:00 pm! We will be hosting a special guest from Pennsylvania AEYC to provide an overview of the shared source resources available in PA. Please register for the event using the ZOOM link on the flyer.

ELRC Updates

CCW Reminders

- Click [here](#) for the updated CCW payment schedule for 2023-2024. Please note the attendance due date to receive timely payment and submit to the ELRC.
- The School Age Flip occurred on June 14. As a reminder, providers who have accepted the blended rate have been paid a higher part-time rate which includes 25 full-time days throughout the school year. This accounts for any gaps that may have occurred between your local school district end date and school age flip date.

- As always, review your invoices carefully to ensure the schedules are correct.
- Child Care Works will pay for 40 absences per child for the year. These absences reset back to zero on 7/1/23.

Work Force Support 2.0 - Reporting Forms Past Due!

Work Force Support Grant 2.0 must have been spent and reporting form returned by 6/30/23! If you have not done so already, send completed forms to elrc-ksgrants@cscinc.org. Please reach out to your Quality Coach with any questions.

Staff retention awards should have been paid out, through payroll, within 45 days of receipt of the grant. Staff recruitment funds were to be used on expenses between 7/1/22-6/30/23.

If you discover that you have unspent funds, please return your reporting form with the payment to:

Community Services for Children
Attn: Jori Farley
1520 Hanover Ave
Allentown, PA 18109

Virtual Child Assessment Tool Fair

ELRC Region 11 will be hosting a virtual, child assessment tool fair. Six assessment tool vendors will join the meeting to review their tool format, implementation, pricing and ordering information. This meeting will be a wonderful opportunity for providers who are beginning the process of selecting child assessment AND for providers looking for tips in using already purchased assessment tools.

August 17, 1:00-3:00 pm

Child Care Insurance Survey

The Pennsylvania Insurance Department and Department of Human Services are responding to the difficulties childcare providers are having in finding insurance coverage.

Please take a moment to complete this survey by 7/31/23. Your information will be kept confidential and will assist the departments in addressing insurance availability and affordability.

[PID & DHS Insurance Survey](#)

Any questions can be directed to Caolinn Martin (caolmartin@pa.gov) or Jameekia Barnett (jamebarnet@pa.gov).

Transition Packets

Summer camps have started and programs are preparing for their Fall enrollments! As you begin to set schedules and arrange classrooms for the new school year, think about how the children will transition to their new teachers and classrooms.

STAR indicator FC2.2, requires providers to have a policy to demonstrate how children are helped to transition between developmental stages. Transition information should be provided to parents at least a week in advance. Information can include a letter outlining how the child will gradually transition into the new classroom, what to expect on the first day and staff schedules and contact phone numbers. Packets can also include copies of daily schedules, teacher welcome letters and samples of lesson plans. Make sure parents are aware of any classroom expectations like potty training, daily communication methods and where the child's personal belongings can be stored, like in a cubby. Providing clear communication will allow parents and children to feel confident about this exciting next step!

Summer Professional Development Series

School-age child care staff can take a FREE professional development series this summer, sponsored by PennAEYC. All workshops are held virtually from 6:30-8:30 pm. Registration is required. See the flyer linked below for more information.

Sessions are still available 7/20 & 8/17.

Health & Safety

Tick Safety

What should child care providers do when they find a tick on a child?

OCDEL Certification recommends that if a childcare provider finds an embedded tick, they should immediately contact the child's parent or guardian so that next steps can be determined quickly. This is consistent with regulation 132(a). It is advised that a provider does not remove a tick unless there is written authorization by the parent and the provider has received the appropriate health and safety training to do so. Following proper technique for tick removal can be challenging; even with proper technique, heads can stay attached and need to be dug out, which can be difficult.

Air Quality Alerts

The recent air quality alerts due to the wildfires in Canada prompted programs to re-examine their outdoor policies and communication of those policies to families. Take a look at your parent handbook and check to see if there is guidance regarding daily outdoor play, weather permitting.

When weather poses a significant risk, children should remain indoors. The PA Position Statement defines weather permitting as:

- Temperature/wind chill is above 25 degrees
- Heat index is less than 90 degrees
- No precipitation falling
- No current air quality alert

Read more of the PA Position Statement [here](#).

Setting Oral Health Goals

Goal setting can help you create new behaviors and it can also allow you to measure your progress. Goals also give you the motivation to maintain healthy oral health habits.

Healthy oral health habits include:

- Regular dental visits and treatment
- Healthy snacks

- Brush with fluoride toothpaste at least twice a day
- No sugary beverages
- No bottle for bed
- Water or milk only in sippy cups
- Drink tap water
- Avoid or limit junk food and candy
- Limit sugar and consider sugar substitutes
- Last thing to touch teeth before bed is toothbrush with fluorinated toothpaste

Click [here](#) for an infographic that you can share with families to help them set and meet oral health goals.
