CCW Reminders

- Please remember to report excessive child absences, late starts and terminations prior to invoicing time. Children exceeding 5 consecutive days of absences need to be reported immediately. If these

circumstances are reported as they occur, the corrections may already be reflected on your attendance invoice making it easier for you to complete the monthly attendance accurately.

- Please report co-payment timely. If you attempt to report more than one week, the ELRC will be unable to pursue the outstanding weeks with the family.

Program Observation Instrument Virtual Fair

Did you know that Pennsylvania has over 10 different approved Program Observation Instruments? Most providers are familiar with the Environmental Rating Scale or ERS. But many other options are available to assist leaders in rating program quality including interactions, business practices, inclusive child supports and other classroom environments.

Join us for our virtual POI fair to learn about these options and select a tool to meet your program needs. Click on the flyer below to learn more about these options and to register for the virtual fair.

Celebrate the 24th annual *Lights On Afterschool* Oct. 26, 2023

Launched in October 2000, *Lights On Afterschool* is the only nationwide event celebrating afterschool programs and their important role in the lives of children, families and communities. The effort has become a hallmark of the afterschool movement and generates media coverage across the country each year.

The Afterschool Alliance organizes *Lights On Afterschool* to draw attention to the many ways afterschool programs support students by offering them opportunities to learn new things—such as science, community service, robotics, Tae Kwon Do

and poetry—and discover new skills. The events send a powerful message that millions more kids need quality afterschool programs.

Health & Safety

Fire Prevention

October is Fire Prevention Month! The National Fire Prevention Association (NFPA) has an abundance of resources available on their website, including

lesson plans and classroom activity ideas.

Fire Safety may also be an interesting parent workshop idea (STARS indicator FC3.4.6). Invite a local fire house to visit the center one evening to show the trucks to the children and ask a firefighter to discuss home fire safety with families. You can provide the following resources and handouts to families to supplement the workshop.

- [Escape Planning Tips](#)
- [Smoke Alarms at Home](#)

Brush Those Teeth!

Brushing is one of the main ways to keep a child's teeth healthy. [Sesame Workshop](#) has a variety of games and songs to help children learn how to brush their teeth with their Sesame Street friends. There are also multiple resources available for families and caregivers. We encourage you to visit the Sesame Workshop website: <https://sesameworkshop.org/> and share this information with families.
