Region 16 Provider Supports

Director's Network

The Bucks County Directors' Network meetings are the best way to stay connected to everything that is happening in the early childhood community. Quality Coaches are there to talk about STARS, OCDEL news, grants, training opportunities and much more. County and state partners share announcements, updates, and ways to support children, families, and staff. Best of all, participating directors get a chance to network and have meaningful conversations with others who share common experiences.

If you have never been to a Bucks County Directors' Network meeting, it is time to try it! Meetings are held monthly and rotate between in-person and virtual. New participants will be entered into a raffle to win something special.

Quality Coach Community Days and Virtual Office Hours

Your Quality Coaches are here for you! Community Days are scheduled to assist directors who may have questions, need encouragement, or are looking for innovative ideas. Maybe join a cohort to focus on your Continuous Quality Improvement goals. You might want to meet your coach out in the community to talk about what is on your mind. Or, if you prefer, check out Virtual Office Hours. Please see the Coaches' Calendar for a variety of connection options and for locations, dates, and times.

RRT Toolkit Training

ELRC Region 16 Quality Coaches have been leading RRT Toolkit Trainings across the region. Everyone enjoyed the opportunity to network and share experiences. All participating childcare programs received a resource book and USB drive containing social emotional resources for their programs. If you have not already attended one of the trainings, check out the upcoming dates below.

Attendees have shared this feedback:

"Grateful we attended the RRT ToolKit Training — it's always beneficial to be in a room with other providers, talking through practical strategies and realistic situations. It is especially nice to be able to walk away with a tool we can implement immediately. Our staff are already pulling documents from the toolkit to use in their classrooms to help to prevent challenging behaviors."

"Thank you for your time and the great resource book. This is definitely going to be the next few staff meetings at all of our locations and the videos will also be part of staff training. Our focus this year is getting back to that INTENTIONAL TEACHER!! and this training really will help pull that all together"

"I wanted to drop an email about the RRT- social emotional toolkit. This is AMAZING!!!! The information you all put together in this resource is outstanding! My 2 Pre-K teachers that were there yesterday couldn't wait to tell me all about it."

Rapid Response Team Toolkit Free Professional Development

All Region 16 providers are invited to attend the FREE, 2-hour PD, "Rapid Response Team Social Emotional Toolkit." This training will support providers to

identify social-emotional skill gaps, and to apply proactive, relationship-based strategies to prevent challenging behaviors.

Attendees will be given a RRT Toolkit (one per facility) full of resources to use with classroom staff.

These trainings will be offered throughout the Spring 2026.

Rapid Response Team

*****Update for the Rapid Response Team*****

Funding has been made available to continue the Rapid Response Team through December 2026! If you have any questions about referrals to the Rapid Response Team, please reach out to your Quality Coach.

The Rapid Response Team provides prompt support in the event a child is at risk of suspension or expulsion. It is a short-term, collaborative approach, designed to connect families and providers with existing tools and resources. Supports are customized to fit a child's or teacher's needs.

Requests can be made using this [RRT Referral form](#). Referrals are processed on a first come, first served basis and we ask that providers prioritize one child referral at a time. One of the goals of the RRT is that strategies and supports will be used across classrooms at the provider so that all children and staff will benefit from these supports.

Before submitting a referral, please discuss with the parent as parental consent is required. Child observations, screenings, and parent conferences should also

have been completed so that you can provide the referral coordinator with detailed information regarding the case.

ELRC Updates

CCW Reminders

Please review your payment summaries as soon as you receive your payment from the ELRC.

- Check that all children are accounted for and that their schedules are accurate.
- When you are looking at their schedules, it is important to check the number of days that you were paid for them and whether the days are full or part time.
- Check copays match the child's enrollment summary.

If you find any discrepancies, please contact your Provider Specialist at the ELRC and report it to them.

Child Care Staff Retention & Recruitment Grant

Provider payments for the CCSRR grant will be paid by April 15, 2026. Payment will reflect both the retention and recruitment award. To reflect the importance of the early learning workforce, OCDEL had reviewed available funding for the Retention and Recruitment Bonus amounts and determined the opportunity for an increased award amount.

Policy Reminders:

- Providers must pay retention awards to staff within 45 days of receipt of payment from the ELRC.
- Awards must be paid through payroll with appropriate taxes withheld.
- Recruitment awards must be spent or returned to the ELRC by June 30th.
- Final Expense Reports will be due by July 31st.

Staff Employment Changes:

- Staff who have given notice when the program receives their payment, must be paid their award.
- Staff who have left employment prior to the receipt of award from the ELRC, provider may move those funds into the recruitment award to pay a sign on bonus for the staff replacement (cannot exceed number of recruitment slots).

Message from PACCA

Please complete the [PA Child Care Staffing Crisis Survey](#) being conducted by Start Strong PA to gather updated information on the ongoing staffing crisis? Even with the 2025–26 budget funding bonuses for eligible teachers, programs across the state are still struggling to retain teachers and keep classrooms open. Your responses to this survey will help show why the next state budget must increase funding for the Child Care Staff Recruitment and Retention Program so workforce bonuses can grow.

Please complete the survey **by April 5, 2026**.

Also, we had an increase for the new line item for Teacher Retention and Recruitment funds! Now, the governor's budget includes \$35 million for teachers! This is funding to encourage teachers to stay in the field. Asking the field to **Take Action**, by clicking the link seen here and telling their legislators to consider including the proposal of the governor in their review of the new budget. <https://startstrongpa.org/take-action>

Rapid Response Team Tip of the Month

Catch Them Being Good

Tip of the Month:

Make it a daily habit to notice and name positive behaviors as they happen.

Why it works:

Children are more likely to repeat behaviors that get attention. When adults focus on positive actions instead of only correcting negative ones, it helps reduce challenging behaviors and builds confidence and connection.

Try this:

Use specific praise so children know exactly what they did right:

- “I love how you’re using gentle hands.”
- “You cleaned up right away—that’s being responsible!”

Try to give more positive comments than corrections throughout the day. Even small moments—like sharing, waiting, or following directions—are opportunities to reinforce the behavior you want to see more of.

Time to Celebrate!

Every April, the National Association for the Education of Young Children (NAEYC) promotes the Week of the Young Child. This week celebrates the importance of

high-quality early learning, and the critical role early childhood educators play in a child's development and learning.

The ELRC would love to see the creative ways you are engaging families, children and other partners in the WOYC activities. Send pictures and stories to your Quality Coach and with your permission, we will add some submissions to the Provider Link newsletter or social media.

It's not too late to take part in this fun week!

- Monday, April 6th: Music Monday
- Tuesday, April 7th: Tasty Tuesday
- Wednesday, April 8th: Work Together Wednesday
- Thursday, April 9th: Artsy Thursday
- Friday, April 10th: Family Friday

This [compilation of food hubs and aggregators](#) from PFSN was designed to help Early Care and Education (ECE) operators and other organizations interested in sourcing local food for meals and snacks in ECE settings. Purchasing from individual farmers is a great way to start procuring local food and building relationships with community growers. If you're facing challenges in identifying farmers or growers in your area or finalizing delivery details for local purchases, a food hub or aggregator may be an option for you.

Your Feedback is Requested

The Berks and Chester County Intermediate Units are partnering to develop a multi-county Early Childhood Conference for Spring 2027. This collaborative effort will bring together early childhood systems and professionals from across our region to learn from one another, share expertise, and strengthen collective capacity.

The conference will serve providers and educators who support children from birth through age eight. We are seeking your feedback to help us design a meaningful, relevant, and engaging professional learning experience that supports your growth and enhances the services you provide to children and families. Thank you in advance for your response. Your input will help shape a conference that truly reflects the needs of our early childhood community.

Please take a few minutes to share your insights by completing this survey: <https://forms.gle/nygiUXExcQzcoeJk8>

Virtual PA One Book Author Visit

Child care providers and early learning programs are invited to join on April 15, 2026, at 10:00 AM for a special Virtual Author Visit with Jessica Shaw, author of *The Great Cookie Kerfuffle*, the 2026 PA One Book selection!

Gather the children in your early learning program for a fun, interactive storytime experience and a chance to connect with the author behind this year's featured book. It's a wonderful way to spark early literacy, imagination, and joy in reading.

Register your early learning program at [Meeting Registration - Zoom](#). Learn more about the [Pennsylvania One Book](#).

April is Child Abuse Prevention Month

National Child Abuse Prevention Month recognizes the importance of families and communities working together to prevent child abuse and neglect. Prevention services and supports developed by this collaboration can help parents, other caregivers, and communities protect children and strengthen families.

For the month of April, we encourage you to promote child abuse prevention awareness with your networks.

- Use #ChildAbusePreventionMonth in your social media posts
- Wear Blue on Friday, April 17th to show your support of Child Abuse Prevention
- Share this website with families enrolled in your program. There are lots of great articles and videos to support parents facing the challenges of parenting. [Discipline Tips for Toddlers, Kids, Teens & Tweens](#)
- Host a refresher of PA Mandated Reporter training for your teachers during your April staff meeting.

How Smoking Affects Oral Health

Smoking can lead to disease and disability, harming nearly every bodily organ. More than 16 million Americans are living with a disease caused by smoking. Secondhand smoke is also dangerous to both adults and children.

Smoking traditional cigarettes, e-cigarettes, cigars, pipes, water pipes, and smokeless tobacco can all cause health problems. Smoking makes it more likely that a person will have tooth decay, gum disease, oral cancer, and poor birth outcomes. It also causes stained teeth, bad breath, and reduced ability to taste and smell.

Not smoking or quitting smoking is important for overall health, including oral health. When a smoker quits, it improves their health and quality of life. It also improves the health and quality of life of those around them, especially young children.

Explore www.smokefree.gov to find out about different [ways to quit smoking](#).
